REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

The applicant's amendment filed 12/22/2003 overcomes the technical deficiencies and the prior art rejection. Claims 27-48 are allowable over prior art of record because the prior art does not disclose a multiplexer having means for receiving the plurality of phase signals and means for selecting one of the plurality of phase signal as a multiplexer output signal.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
